- **Framing Views**

The Timpanogos and Lakeview Rooms are both double height multi-purpose spaces that provide clear, scenic views out to the site's surrounding heroic scaled landscape. The Timpanogos Room frames the view of Utah's Wasatch Mountain Range to the East while the Lakeview overlooks the Utah Lake to the West.

### Additional Info:

Completion Date: 2008

The Utah Valley University Digital Learning Center has garnered four major awards since its completion.

**University:** Utah Valley University | Orem, Utah
